

January 2024 Newsletter

Greetings to all Rallyitives and those who are interested in joining our trusty group.

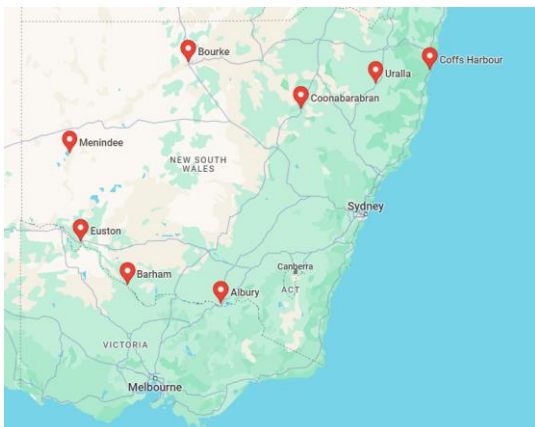

Season's greetings to you all and I hope everyone enjoyed the best of the 'Silly Season'. I suspect by now, many of you would be returning to the normalities of life and settling into the new year of 2024.

It's been a little while since the last Newsletter but that doesn't mean I've been sitting idle. With the help of many, Nathan and I set out in early November to map the track and confirm the towns for our overnight stays. It was quite the adventure for both of us and even though we were delayed for a few weeks halfway through by rain, the track notes are logged and waiting to become your 2024 Track Book. Many thanks to Brian and Tessah, Craig H, Lloyd and Steve, Froggy and Rolly for your valued input and great tracks you found for us.

I would also like to thank Teresa and Sharyn for volunteering to take on the mammoth task of coordinating the catering and researching accommodation around the course. It's a huge task, and one that has kept them busy for weeks already.

And more generally, I would like to take this opportunity to thank everyone who has offered me help and support. It's only with this ongoing commitment to The Great Escape Oz that we can continue to make a difference in the lives of people living with Cystic Fibrosis.

(Drum roll please) The 2024 Great Escape Oz Car Rally overnight stops are:
