

March 2024 Newsletter

Greetings to all Rallyitives and those who are interested in joining our trusty group.

A great weekend was had by all who attended our reunion/get together in Griffith. Many made a weekend of it and enjoyed the generous hospitality of the town. From brunching in cafes in the main street, the artists markets at Whitton, to the impromptu meetings at various watering holes, it was a relaxed opportunity to catch up with many. Of course, many thanks go to Benny's Restaurant and the Kidman Wayside Inn for their warm hospitality. Also, a huge thanks to Terry and the Campbell family for putting it all together.

Six month out status check

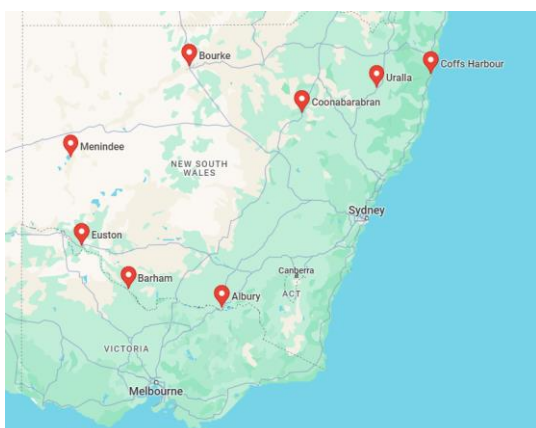

The event is coming together nicely. Recently, I've been busy entering track notes to create the Track Book and getting organised for the final leadup to the event.

Cure4CF are promoting on socials and have set up a fundraising page for us.

Teresa has professionally printed posters ready to be mailed out to those that need them for their sponsors or work notice boards. Message or call Teresa to get some on the way.

It's time for you to book your annual leave and get that entry in so you can start collecting donations.

For those of you that have your entry in already and have started raising donations, Cure4CF have set up an online fundraising page for our event. This will streamline and give more options to how donations can be made. The Cure4CF fundraising page link is: <https://the-great-escape-2024.raiselysite.com/>

You will need to set up an account on the page so people can donate to your team online. This will be added to your fundraising tally. I have added a link from the Great Escape website to this donation page. That means you can tell anyone who wants to give you money to go to the Great Escape website, click donate, find your team, and transfer the money. Cure4CF will send a tax deductible receipt directly to them.

If you have money in cash or your account already from people, that will have to come through the Great Escape account so I can organise a Cure4CF receipt.

Don't forget to like the new Facebook page so you can keep up with the latest news. [\(1\) Facebook](#)

So, get your entries in to secure your spot, promote the event and dazzle your sponsors with the posters.
